	Research, analysis and prepairing summary of the findings on availability and credibility of financial information in databases offered by third party business.

2016	VIA4 S.A.
	Employee of toll station on motorway
About company	Operation and maintenance services company of toll section of Katowice-Cracow A4 motorway

Projects

○ JacksChess — Ada • GtkAda (GTK+) 3.0 • AdaCore GPS • Windows

Technology: **Simple chess game implemented in *Ada* programming language using graphics library *GtkAda (GTK+ 3.0)* for *Windows* platform. Program was written and compiled via *AdaCore's GPS IDE* supplying library *GtkAda*.**

Functionality: Player vs. Computer game mode. Player always starts the game with white figures. Player chooses from one of visually marked as permitted moves. Computer chooses random move out of pool of permitted moves. Project includes class diagrams.

○ SoapRest — Java EE • Wildfly 14.0.1.Final • Maven • RestEasy • Swagger • IntelliJ

Technology: **Project for Service-Oriented Architecture university course. Written in *IntelliJ IDE* for *JBoss Application Server (Wildfly 14.0.1.Final)* using *JavaEE* and *Maven*.**

Functionality: SOAP and REST services. Example clients testinig both services. Maven script downloading Swagger and editing index file. Proto3 - Protocol buffer 3 (google) used in REST service. Authorization in both services: SOAP - BASIC method + security domain, REST - using token. Validation of parameters via adnotation in REST service. Sending Byte64 type objects in both services - NOT as attachment.
Project consisting of simple Servlets created in *Eclipse IDE*.

○ GiveALift — Angular 5

Technology: **Student group project imitating functionality of BlaBlaCar . I worked only on front-end part of the project (group repository) .**
Link to all repositories of the project

Interests

- Virtual entertainment, console and computer games industry.
- Foreign, international politics. Mainly USA.
- Pupular Biology and Science - news and trivia.
- Collecting interesting story ideas from books, films, series and games.
- Writing short stories.
- Drawing by hand.
